November 2020

**Jerry Long**  
Business Manager/Fin. Sec.  
I.B.E.W. Local 266

## *Business Manager Report*

Dear Brothers and Sisters,

As we reach our 9<sup>th</sup> month of this pandemic I hope all of you and your families are well. I want to thank you again for your continued observance of proper PPE and social distancing when necessary. Please keep these safety precautions in mind as you gather with family and friends for the holidays.

As of November 16<sup>th</sup>, the 2.5% wage increase is in effect. I feel fortunate that with unemployment on the rise we have not experienced any loss of jobs within SRP.

With covid cases increasing, the International Office is recommending that we continue with the cancelation of our union meetings. However, the Local is trying to keep everyone informed of union happenings through the posting of letters and videos on our website and mobile app. In each video I try to include Local 266 members from different areas. I would love to include you! If you are interested in participating please call the hall at 602-275-6222. Currently we are putting out communications twice per month. Needless to say, this pandemic has put our picnic plans on hold for the moment as well. We will keep you in the loop when we are able to get something back on the schedule. Please take care!

In Solidarity,  
**Jerry Long**

*Brothers and Sisters,*

*Greetings and Happy Holidays!  
I hope you and your families stay  
safe and healthy this holiday season  
and always.*

*Now, more than ever, with all the  
good and bad that has happened this  
year, we should remember to give  
thanks for the special things in life.  
Family, friends, work and especially  
the Solidarity we can always count on  
at IBEW Local 266, are at the top of my  
list. Please stay safe and healthy.*

*Fraternally yours,  
**Thomas J. Olivas***
